Saltford Parish Council News

Parish Council Elections are being held on Thursday 5 May, along with elections for Bath & North East Somerset Council and a nationwide referendum on the voting system. Now is the time to think about standing for your local council and having a say in issues affecting Saltford.

At the last election in 2007, we had only 6 applications for the 11 members of the Parish Council. The Parish Council has an important role in looking after the interests of the people of Saltford, in particular, ensuring that the services from B&NES, Police, Central Government and other public bodies meet our requirements. The Council also has the statutory right to comment on all Planning Applications in the parish.

Please consider getting nominated to become a Councillor. The basic commitment is to the monthly meeting held on the first Tuesday of the month at 7.15pm until about 9pm. In addition, there is a meeting for those who are interested on the 3rd Tuesday, to look at planning matters. Councillors can also take a part in negotiations with other organisations and initiate projects with the status of Parish Councillor. To qualify you must be at least 18 years of age and live or work in Saltford or within 3 miles of Saltford. If you have any queries please contact the current Chairman Reg Williams on 01225 872489 or email regandjill@hotmail.co.uk.

The closing date for the delivery of nomination papers is Monday 4 April.

The nomination paper must be signed by two electors of Saltford as proposer and seconder, and candidates must also complete a consent to nomination form. Nomination papers can be obtained from me or from Bath & North East Somerset's Electoral Services Office at the Guildhall, Bath (tel: 01225 477333 email: elections@bathnes.gov.uk), to whom they need to be returned by 4 April.

Air quality in Saltford

B&NES have recommended that an Air Quality Management Area is declared close to The Crown on the Bath Road, following an assessment of air quality in Saltford which showed that the nitrogen dioxide annual average is above the government's objectives in this area. There will be a consultation on this and a continuous analyser is to be placed in The Crown for a temporary period from July 2011 in order to achieve a higher level of detail and accuracy of air pollution levels in Saltford.

A Good Childhood in Saltford

Over the last 2 months the Children's Society have been holding a series of 'Good Childhood' Conversations in Saltford. The events have seen up to 30 people attend, including many young people and children. The overwhelming message of these events has been the need to say hello. Where there is fear, or a perception of fear especially towards groups of young people or from young people worried about adults' reactions, the consensus has been that a simple hello or a smile could help reduce the fear of a reaction. Most people have said they enjoy living in Saltford and that they do not fear any anti-social behaviour.

An idea has been put forward to launch a **Skills Swap Shop** at the summer festival in June. This would provide an exciting opportunity for all ages to get together and share their interests, skills and experience. Suggestions so far have been in the realms of textiles- particularly dress making, engineering and making go-carts, and film-making, alongside art, knitting and computer skills.

If you are interested in any of these or have other ideas of a skill to swap, then please contact Helen at the Children's Society - helen.bradley@childrenssociety.org.uk
01761 479368.

At **Newton Farm** we produce our own beef from our herd which is reared naturally, roaming the green fields of our Duchy of Cornwall farm. Our fillet steak recently won Taste of the West, Silver Award for its tenderness and flavour. We hang our beef for around 4 weeks to achieve this.

We specialise in sourcing other locally produced, free-range meats, and also sell delicious ham, home-cured bacon, hand-made high meat content sausages and burgers.

Please visit our butchery and shop here at Newton Farm to choose your meats, and one of our experienced butchers will be happy to help you and prepare your meat just how you like it.

We also have a free local delivery service.

Village Litter Pick Day

The Parish Plan implementation group are looking to set up a group to organise an annual/bi-annual litter pick following comments made in the Parish Plan questionnaire. We already have a few willing volunteers to help with this task plus assistance from our village Scout Group on the day.

If you would like to be involved with this in any way at all, from helping to co-ordinate the pick to actually picking litter on the day then please email me or give me a call. We can then set up a meeting of those wishing to be involved and get things going, hopefully to have our first litter pick before the village festival to make the village clean and tidy for our first celebration.

SALTFORD FESTIVAL

Saturday June 11th - Sunday June 19th 2011

In the centre of this edition is the **draft** calendar for the Saltford Festival. You have the chance now to decide how you would like to spend the week. The events are varied, some traditional and some with a more sophisticated appeal. We feel that the contributions made by numerous groups and individuals should reflect the wide ranging interests and aspirations of the village. The aims of the festival are to bring residents together, to raise much needed funds for our amazing community association, to help other charities and to have fun.

Some of the events on the programme have a ticket price. Tickets for these events can be purchased from Saltford Post Office, Saltford Hall and many other venues. They will be available in early April. Other events are covered by an entry fee on the door, donations, payment for food and so on. Some will be free. Please read the *Week in*, your valuable free paper, look at posters, study the notice board by the Post Office, talk to friends or try any of the contact numbers below.

Saltford Townswomen's Guild

The January meeting was well attended despite the rain and the flu epidemic. Marion Smith, the Chairman, welcomed members and wished them all a Happy New Year. Items of interest were mentioned from the National and Federation Committees and arrangements made for skittles and the monthly luncheons. Members were reminded that new officers would be needed for the forthcoming year and volunteers were needed in order that the Guild would be able to continue.

Mr. Brian Davies was the speaker and he kept his audience enthralled with his tale of working in America in 1958. He was sent as a "volunteer" to work in a deprived area which turned out to be a black area in Washington and he discovered his project did not have a building or equipment. He had no guidance and, in the 1950s, America was not as relaxed regarding coloured people as it is to-day. However, his ingenuity and determination succeeded and he achieved some remarkable successes. A heart warming, entertaining tale much appreciated by his audience.

February enjoyed snippets from life with the Chandlers. Mrs. Chandler met her husband when they worked together, fell in love and married. Mr. Chandler had progressively lost his sight over the years and the tale was how they had learned to live with the sight loss. Mr. Chandler looked on blindness as a challenge and not a liability. He continued to work, both in business and at home, taking on many tasks which a sighted person would perform easily and quickly, even making a garden pond on his knees and with a trowel. The speakers in January and February were both inspiring and amusing, and an inspiration for the New Year.

Saltford Women's Institute

Our February meeting welcomed the return of Bob Porton who entertained us with slides of New Zealand. Many of our members had visited New Zealand so it brought back many happy memories for them. As usual it was a very entertaining evening.

At our March meeting, after the usual business, Angela Grist showed a video and slides of the wonderful work of the Mercy Ships. Since 1978, the charity has transformed the lives of hundreds of thousands with its life changing operations. The first ship was purchased second-hand in 1978 for £500,000 and in 1999 the "Dronning Ingrid" was purchased for conversion to a hospital ship and renamed "Africa Mercy" and is currently berthed in Sierra Leone. Not only do the volunteers provide medical care but they also educate the locals in nutrition and basic hygiene.

Resolutions for NFWI AGM and members' talks

The Keynsham and Chew Valley Rotary Club are

collecting Bikes for schoolchildren in the Gambia who often have to travel many miles to school without any means of transport. The foundation which arranges for the repair (HM Prison Service) and the transportation of the bikes (6500 so far over four years) is THE Jole Rider Foundation based in Bath. We are hoping to collect as many Bikes as possible on 21 May and we would ask all SCAN readers to look in their Garage and Sheds etc to see if they have any Bikes which are no longer required by their families. They should be 24 or 26 inch but 20 inch BMX are OK. The bikes can be of any age, but should have little rust on the frames and wheel rims and handlebars. Where possible, we would also ask for a contribution of up to £10 to cover the cost of transport to the Gambia but, if this is not possible, it would not preclude us from accepting them. The date of the collection will be Sat 21st May at one of the Car Parks in Ashton Way in Keynsham between 09.00 and 14.00 which we will announce nearer the date. We would of course collect if you cannot deliver. So please have a look in your garage or shed to see how you can help us. Remember the date 21st May. If you find a Bike that you or your children will not use again why not help a really deserving cause. Give Peter Bishop a ring on 07860874089 and let him know in advance.

Keynsham & Saltford Wine Circle

Rosemary Turner took us back through time to the Second World War and the bravery, practicality, resourcefulness and philosophical reasoning of Civil Defence in Bath. Her presentation was very clear. It was also helped by articles and

pamphlets, and she brought back memories for those living through difficult times. An interesting way to start the year.

The Annual General Meeting in February resulted in the same personnel continuing as Officers and Committee, but with Peter Church and Alan Dummott swapping over and becoming Secretary and Chairman respectively. Percy Mellor carries on as Chairman, Angie Dummott as Treasurer, Alfie Ashton as Wine Secretary with Tessa Lesser, Pat Woodman and Jim Haynes as the rest of the Committee members. The evening was rounded off with an American Supper and a celebration of Sally Dummott's birthday.

March is always the time for tasting Commercial wines. This time it was the turn of some from California, being presented by our President, Percy Mellor. These were obtained from Nicki Burston of World Wine Agencies. They were from two wineries, Bliss – Sauvignon Blanc and Merlot: Jewel - Chardonnay, Cabernet Sauvignon, Zinfandel and Petit Syrah. A very tasty evening!

We have been to the Timsbury Wine Circle's Ron Ward Trophy Dance where we managed to come second in the Inter-Circle competition. The music for dancing was provided by Ray Denning.

Our second dance in March was put on by the Nailsea Wine Circle at Tickenham Village Hall with dancing to the music of "Julie Thursday"

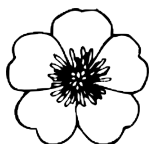

So, following the AGM and the March commercial tasting, our programme for the rest of the year will include talks on Tristan da Cunha and a Toastmaster's

life; wine/beer tastings and competitions; outings; skittles; 40th Anniversary celebrations. However we do not know what the Member's Choice will be next January.

For further information please contact Alan Dummott on 01225 873493

Saltford Floral Club

50th Anniversary

Saltford Floral Club began in 1961 when hats and gloves were worn to Tuesday afternoon demonstrations of flower arranging in the main hall in Wedmore Road. To celebrate our 50th anniversary this year we are participating in the Saltford Village Festival by putting on a display of land art and floral demonstrations at the garden opening of Saltford Farm Barn on Thursday 16 June. We will set up our displays the day before and welcome visitors from 11a.m. on the Thursday. There will be guided tours of the garden to explain the symbolism of the design, the land art placements, two floral demonstrations one at 2p.m. and the other at 7p.m. with the titles of 'Celebrations'. Last admission will be at 8.30p.m. and the garden will close at 9p.m. There will be a plant stall, a raffle, a treasure hunt and craft stalls. Parking will be signposted to the Avon Rowing Club field next to the farm entrance on the A4. Profits from the day will help boost club funds to meet the rising cost of demonstrators to club meetings and their travel costs and a percentage will go to the Saltford Community Hall.

Saltford Floral Club is affiliated to NAFAS (The National Association of Flower Arranging Societies) and we will be attending the national show which is to be in Torquay this year in September. We are keen to attract new members and we welcome visitors to our

demonstrations and practice classes which are held on the fourth Tuesday of the month at 2p.m. For more information go to the website on www.flowerssouthwest.org.uk or eve.hessey@blueyonder.co.uk or phone 01225 873380.

"MOVE ON"

At Saltford Hall

**Tuesday 17th May to Saturday 21st May
2011**

Evenings at 7.30 pm

Saturday Matinee at 2.30 pm

"Move On" is a new musical in two parts. The first is the life story of Stephen Sondheim, including a selection of his music from "Sweeney Todd", "Gypsy", "Company" and "West Side Story". The second part of the show demonstrates the choreographic genius of Bob Fosse, whose unique dance style has shaped all subsequent dance. This part of the show features musicals such as "Cabaret" and "Chicago".

The evening will have you laughing and crying and is a night of decadence and wonder.

Your last chance to grab a share or two!

2011 marks the 50th anniversary of the opening of the Main Hall at Salford Hall and over the years tens of thousands of local people have enjoyed a huge range of activities in the Hall. As a registered charity, the Salford Community Association continues to work hard for the benefit of the local community, including the provision of SCAN.

As part of our efforts to improve the financial position of the Association, we have launched a 100 Club, which will initially run from April 2011 to March 2012. As advertised previously in SCAN, the 100 Club works as follows – you pay a one-off subscription for the year of £25 per share and this entitles you to take part in 12 monthly draws with the chance to win over £1000.

If you are interested in purchasing a share, please either complete the form enclosed with the previous SCAN or e-mail sca100club@btinternet.com or ring 01225 873878.

All completed forms and cheques must be received by the end of the AGM on 31 March 2011.

In the event that less than 100 shares are sold before 31 March 2011, the prizes quoted will be reduced pro rata.
