PAT MARTIN

In the last issue of SCAN I wrote a tribute to Pat which regrettably became an obituary. Before she had opportunity to read the tribute Pat died on 1st June and was cremated at Haycombe on 7th June 1996. The chapel was packed with Pat's family and friends with the service being taken by the Reverend Richard Hall. What can I say that hasn't been said before ? Pat was accepting bookings up to a few weeks before her death and was advising me only two days before, such was her dedication. Pat lived life to the full and we can only thank her for a lifetime of service to others and trust that her selflessness is an example to all who aspire to working for the community.

BETTY BLOOMFIELD

We are saddened to record the death of Betty Bloomfield in June after a short period in hospital. Known as "Mrs B" she gave unstinted service as caretaker of Saltford Hall for some 25 years. There was very little that she could not cope with - even the vagaries of our old central heating boiler ! In short, a very dedicated lady. Our sympathy goes to her two daughters & also to her wider family. She will be greatly missed.

Saltford Recorded Music Society

The first meeting of the new season will be on Thursday 3rd October at 7.45pm in the Somerset Room at Saltford Hall. Why not plan to come along and enjoy some music. Visitors pay a 80p per meeting and the annual subscription is £4.

Saltford Singers

What a busy time ! Following our May concert we took up six new pieces of music for performance in support of the Keynsham Music Festival. Those of you who attended at Wellsway School on the 29th June know that this was a joint venture with the Keynsham Orchestra and Keynsham Light Opera Group. A varied programme of music ranging from Saint-Saens to Sendhiene with plenty in between, was appreciated by the audience. We all look forward to more music making - which was the aim of the festival.

We also opened the doors to our rehearsal on Tuesday 25th June. It was good to see old and new faces observing us as we rehearsed pieces for the Saturday concert. We also demonstrated how we tackle a new "Score" (though we didn't pursue it long enough to justify an "Encore") The above recent events do seem to have sparked off more interest. As we begin our rehearsal of music for our concert on

29th & 30th November we have welcomed both old and new members. Indeed we now have 6 tenors and 5 basses - but there is still room for you to join us. The concert will include a variety of Christmassy music, following a selection of Victorian/Edwardian items, so there will be plenty to enjoy.

After our Annual General Meeting on 16th July, we take a short break until Tuesday 10th September. If you think you may like to join us when we recommence this would be the ideal time so do call our chairman, Les Hanson, on 01225 872176. You will be most welcome.

Saltford Branch R.N.L.I.

The June Wine & Cheese party took an unusual turn this year, resembling a candlelit supper by courtesy of a power failure during the storm. Almost £200 was raised and it did develop into a memorable occasion. Many thanks to all who supported this event. The next fund raising event is a coffee morning at Saltford Hall at 10.30am on Tuesday September 10th. S. McD

Saltford Womens' Institute

The title for the talk for the June Meeting was "This Magic Box" and some members might have wondered if there was to be a conjuring show - but they would have been mistaken. The full title was "This Magic Box of Theatre" and the members were in for a real treat. Mr & Mrs Traill gave a fascinating and very professional history of the theatre from Greek Theatre to the present day. This was achieved by telling of the development of plays over the years and reading extracts and acting scenes from a variety of plays - Medieval Plays of the Guilds - Shakespeare - Restoration Comedy - Victorian Melodrama - Shaw - A.A. Milne and Alan Ackbourne.

A very enjoyable outing to the Mohair Goat Farm in Gloucestershire was

arranged for members. There was a talk about the farm, an excellent lunch, a guided walk to see the animals and a visit to the shop to be tempted by garments made from the goats hair. In the afternoon members had a trip on the canal and a wander round the dock area, ending the day with a welcome tea. Mrs M.D.

SALTFORD PARISH COUNCIL NEWS

Clerk to the Council - Mrs M L M Freemantle, 19, Victoria Road, Saltford,
Bristol BS18 3AW Tel: 01225 400058

Financial Assistance

Over the past five years, the Parish Council has helped a wide range of Saltford organisations by giving grants, particularly for specific projects or helping to establish new ventures. Recent examples of financial help include Saltford School (benches for a quiet area within the overall playground development scheme) and the Saltford Stars Junior Football Club (new football kits). A commitment has also been made to help the Hinton Close Day Centre in the event of their grant from B&NES being reduced, and the valuable work of Victim Support in the village has also been recognised.

New Post Box

The Post Office has installed a new post box on the corner of Stratton Road and Broadway, following requests from residents in the area and continued pressure from the Parish Council. Please make sure that it is well used.

A4 Traffic Calming

The Parish Council is continuing to press the Highways Agency for the second pedestrian crossing (opposite the library) and a speed camera on Saltford Hill - it is hoped that these can be in place without too much further delay, although no timescales have been given. Thank you residents who passed on their comments before the last Council meeting.

A4 Cycle Track

The cycle track alongside the A4 to Keynsham has been in place some months, but concerns have been raised at the numbers of Wellsway School pupils who continue to cycle from Saltford the "back way" along Manor Road. Wellsway School was instrumental in the cycle track being created and is encouraging their pupils to use this safer route to school.

Other Highway Matters

Discussions have taken place with B&NES Council for measures to reduce the traffic congestion caused by visiting cars parking in the narrowest part of High Street, to improve visibility for drivers coming out of The Batch and to discourage parking on the pavement under the Railway Cycle Track. Signs to the shops and school have been promised still for the near future.

Parish Council Meetings

Please note that there will not be any regular meetings in August, unless an urgent meeting needs to be called. The next full Council meeting will be held on Tuesday 3rd September at 7.15pm in the Kelston Room, Saltford Hall.

Madeline Freemantle - Clerk to the Council

ACUPUNCTURE

Catherine Roberts R.G.N., Lic.Ac., M.B.Ac.A.C.

Acupuncture is an ancient system of healing based upon diagnosis and treatment of an individuals energy imbalance. It is well renowned for helping pain and to stop smoking, but there are a wide range of conditions where it is extremely effective. For example:

**Stress - Shingles - Arthritis - Back Pain - Tennis Elbow - Migraines - Menstrual Problems - (e.g. PMT, Dysmenorrhoea) - Post Menopausal Symptoms
Skin Conditions - Asthma**

.....to name but a few

Treatment is based upon the insertion of fine needles into specific acupuncture points. The application of warmth to certain points is also often used. This re-balances the energy and thus harmonises the body.
