SALTFORD PARISH COUNCIL NEWS

MAY COUNCIL ELECTIONS

Thursday 1st May 2003 was ELECTION DAY but as there were only eleven people who put their names forward to stand as Parish Councillors it proved to be an uncontested election. Of these eleven, seven are new faces to the Council and I welcome them all and will look forward to working with them for your benefit in our village. A full list of all Councillors appears on the Saltford Parish Council Notice Board outside the Post Office. I would like to take this opportunity to thank the retiring Councillors for their input at the many Council and Committee meetings over the past four years. A particular word of thanks must be expressed to Councillor Maurice Short (Retiring Chairman) who has been a tremendous help and encouragement to me and has achieved so much for all of us in this village having served 12 years on the Council, 6 of those years as Chairman- thank you Maurice

BUS SHELTERS

A slight hitch has occurred - the Bus Shelter between The Glen and The Folly cannot be moved until further investigation of the many services that appear to be under the pavement. First of all telephone cables were in the way, then it was the drains - the problem continues. The Bus Shelter outside The Crown will be replaced by an enclosed one but this cannot take place until August/September time due to the heavy workload of the contractors. Regrettably the vandals who passed through Saltford recently smashing 26 panes of toughened glass in our new Bus Shelters will increase the cost of our insurance cover. To replace the glass will be in the region of £1,500.

HISTORIC SALTFORD

By the time you read this I am keeping my fingers crossed that the new notice boards depicting a map of Historic Saltford will have been erected, one outside the Post Office and the other at the bottom of the steps in the car park of The Bird In Hand leading to the Cycle Path. We trust that everyone will find the information of interest.

VEHICLE ENTRANCE TO THE CYCLE PATH IN AVON LANE

A lock is to be fitted to the gateway in Avon Lane leading onto the cycle path to stop quad bikes and cars from illegally travelling the path. Radar Keys for those who need them are available from all B & NES Council outlets. A notice asking that you keep the entrance clear for Emergency Service Vehicles to gain access in case of accident will be erected at this entrance in the very near future.

PUFFIN CROSSING

This description is nothing whatsoever to do with the state some people are in having crossed the busy A4! I am assured that the new Puffin Lights that are in the process of being installed on the A4 will work in unison (I seem to have heard that somewhere before?) They are able to detect people on the crossing and will delay the traffic flow until the pedestrian crossing is clear of people, whereas the old crossing was on a timed basis.

GREEN WASTE AND CARDBOARD COLLECTION TRIAL

From June a trial scheme will be operating to collect garden waste and cardboard from households. The trial period will run until March 2004, with the potential to be extended if it proves successful. Full details are available by ringing Action Line 01225 39 40 41.

Peter Gordon Thompson of Hillside Cottage, High Street.

When Peter died back in March, SCAN had just gone to press. This is the first time we have been able to announce his death and print a few words about him.

Readers may have read in the local press the more formal tributes I paid to him at the time, but March seems a long way off now. Because of this I would ask your forbearance to reflect on him in a more personal way because we were good friends for quite a few of the 40 years he lived in the village. Others in the High Street area knew him much longer than I.

It sometimes happens that, in a long association, people can change towards each other but, in his case, this was not so. To me, and to everyone who knew him, he was always a gentleman.

A sprightly person, considerate of others with a ready sense of humour and a kindly word for anyone who stopped to have a chat with him on his many trips up the High Street to do a bit of shopping.

He spent 12 lonely years after his wife, Rosemary, died but I never heard him once grumble about his lot. What I did witness was his resilience in coping so

adequately by himself. Even when he was in his eighties his only moan was a humorous one which was that each succeeding year, the High Street seemed to get a little steeper to walk up.

Like me, we both used the Bird in Hand where we would put the world to right over a glass of beer. We never always agreed but respected each others differing views.

You simply couldn't help liking Peter Thompson... he was that sort of person. I still miss him and know I'm not alone in that. Old habits die hard. I used to give him a wave from my front window as he made his way up to the shops and he would wave back. It served to reassure me that all was well with him and, although he's been gone two months, I still find myself looking out for him forgetting that he's passed on

A TOUR DE FORCE

As they sat chatting one morning in May,
Ann said to her mother, in some disarray,
"My cycling tour in Wales is in doubt
For both Sue and Jane have had to pull out".

"Well," Mother said, "The answer I guess
Is to use a Box Number, in the local press.
Put 'Attractive, active 18 year old Miss'
Requires companion, and say what it is."

"Mention cycling tour, and give the date,
And then just sit back, and patiently wait"
Ann did all this, and inserted the Ad.,
And waited a week: which wasn't too bad.

At the end of the week, she then went back,
And collected quite a useful stack.
Mother, and daughter, sat down that night,
Hoping they'd find someone just right.

Then Ann gave a chuckle at one she read,
"Well," Is that the right one?" Her mother
said.
"Really," replied Ann, "It isn't too bad,
The only thing is..... It is from Dad!".

Sincerely,
Roger Howells

SALTFORD WOMENS' INSTITUTE

Our Annual Party on 7 April was enjoyed by all. After a delicious supper, to which all members had contributed, we were entertained by Margaret Adams who caused lots of laughter with her very humorous talk. This included many of her own poems and was entitled "Living with the Boss",

On 6 May, Joyce Evans welcomed us to her home for a Coffee Morning. It was a happy occasion with plenty of time to mingle and chat with friends. The event was very well attended and a huge success, raising just over £100 to boost our Institute funds. Thank you very much Joyce.

We were delighted that Mr. K. Pierce agreed, at only a week's notice, to speak at our April meeting. He showed some excellent slides of the City of Bath accompanied by an interesting and informative commentary.

Future monthly meetings include:-

17 June Mrs. D. Jones will give a talk, "I'm glad I learnt shorthand".

15 July Mrs. Chivers will speak about St. Peters Hospice.

We do not have an Institute meeting in August.

Regular monthly meetings are normally held in the Avon Room, Saltford Hall at 2pm. on the third Tuesday of the month (except August).

We are always pleased to welcome new members and visitors. - Muriel Calderley.

SALTFORD FLORAL CLUB

We are well into our 2003 programme,

having already enjoyed a number of interesting afternoons and are now looking forward to what the Summer has to offer.

Our next demonstration, on the 24th June, is with Mary Kelly and entitled.

"A few of my Favourite Things" Then on July 22nd, we have a practice class "Patterns & Textures". Do not be put off at the thought of a practice class, it is a fun afternoon. And begins as usual with a short demo, to enable everyone to have a chance to see the design, we are endeavouring to achieve.

But it is not important if we don't, because with help of the demonstrator Maureen Faraway, we all take home something of which to be pleased. If you are interested in coming along please give me a ring for more details. You do not have to take part in the flower arranging, but it can be very entertaining just watching! We have a break in August. Then starting the Autumn on September 23rd with a demo with the intriguing title "Take it or Leave it".

Meetings are held in Saltford Hall starting at 2 p.m. and ending with tea at approximately 3.30 p.m. - Jean Damey.

SALTFORD EVANGELICAL CHURCH

Please come and worship with us the God who made the universe and who is willing to forgive our rejection of Him and to renew our relationship with Him. You would also be very welcome if you would like to learn more about what we believe and why. You would be very welcome at any of our regular meetings.

The really top quality clothes are dispatched to our own Toc H Charity Shop at Kempston near Bedford in order that the proceeds can benefit Toc H nationally. resolution this year concerning the illegal importing, in other words, smuggling, of women into this country for exploitation. This could be for virtual slave labour in the domestic market or more usually for immoral activities.

Sections of the resolution were read by members and discussed. Overall it was felt it was a good resolution but what this country alone could actually achieve was doubtful. The June meeting will hear a talk on "Granny's Attic" by Cmdr. Harris. - D Roads.
