

SALT FORD HALL IMPROVEMENTS

All who have seen the many improvements to our hall must agree that it was a long overdue exercise. The Management Committee wish to put on record the hard work and dedication of our Building Committee Chairman, Anthony Tonkin, who coordinated the different trades which enabled the work to be completed in the time slot. Hardly a day went by when Anthony was not in the hall making sure everything ran smoothly.

We must not forget his Committee members and others (like Anthony, they are all volunteers) who also worked hard doing the cleaning, painting, carpentry and curtain hanging – all the little finishing touches after the builders had finished. We must also remember, of course, our caretaker, Sherilyn, and her team who did the final cleaning. Our heartfelt thanks to all concerned.

Finally, we are deeply grateful for the donations received and also for the very kind bequest made to Saltford Community Association by the late Mrs Joyce James. All this has contributed to the costs of the hall improvements.

COMPOSING AND EDITING SCAN

Thank you to Ray Moore and Richard Davies, respectively editor and deputy editor of this magazine, for their tireless editing and making up of SCAN over many years. They have now retired from these positions. Considering this work was taken on as a temporary commitment, they have both done a very good job.

The new editor of SCAN is Robin Dixon. Please send all copy for the next edition of SCAN (other than advertising) to Robin at 25, Claverton Road West, Saltford or via email on robindixon@blueyonder.co.uk by 7 November.

The new advertising editor is Malcolm Guthrie. Please send all advertising copy and cheques to Malcolm at Tangleby, 18, Beech Road, Saltford by 7 November.

GENERALPURPOSES COMMITTEE

The Committee would like to record its thanks to Ray Moore and Richard Davies for their work on SCAN as reported earlier. We would also like to welcome Robin Dixon and Malcolm Guthrie on board as members of our Committee.

HALL REDECORATION – THANKS FOR HELP

The Building Committee wishes to express its thanks to the following volunteers who helped with the redecorating associated with other major works at the Hall during the month of August: Richard Street, John Thomas, John Denslow, Brian Coombs, Eric Kearns, Peter Hayward and Ron Howse.

A Tonkin, Chairman, Building Committee

APOLOGIES

We wish to apologise to those advertisers whose adverts were omitted in error in the August/September issue. We have

resolved the matter with those concerned.

Apologies also to Mr Richard Lyddon, Principal Guest at the Reopening of Saltford Hall, whose name was spelt incorrectly in the last issue of SCAN.

HOMEBASE DONATION

The SCA would like to express their sincere thanks to both the Manager and the Garden Centre Manager of Homebase at Bath for their generous donation. Mr Elvin, the Manager, promptly agreed to our request for help, and the Garden Centre manager, Mr Pritchard, proved very helpful in selecting two well-established and attractive dracaena plants together with suitable container pots to enhance the newly refurbished foyer of Saltford Hall. They add the finishing touch.

FROM THE BOOKING OFFICE

August Shutdown

Our thanks to all users of our premises for accepting changes and cancellations during August when so much work was being carried out at the Hall. We are sure you will agree that it was all worthwhile. Our caretaker kept things ticking over by frequent visits to the Wansdyke Room where all the action was concentrated and then, together with her assistants, carried out a cleaning blitz in the short space of time between the completion of construction work and the first booking. Our grateful thanks to Sherilyn and her team.

Foyer Notice Board

The old notice board is not going to be reinstated in the foyer. Plans are in hand to install a better one on the wall but this will be of limited capacity. We shall no longer be able to accept posters for social services, concerts at other venues, church services and the like, and activities at the hall will be the only events accepted for

advertising. Since the notice board will probably be enclosed and locked, all posters should be submitted to the office where a careful eye will be kept on turnover and display duration.

Late Changes

In the Booking Office, we are operating anything up to two years ahead. A timetable is issued to the caretaker at fortnightly intervals and her work pattern and those of the two assistants are planned in advance. If your group has to make late changes (say within two days) due to illness, cancellation etc., or needs a different layout, please inform the caretaker as a first step. This will avoid unnecessary trips to the Hall and wasted effort in moving chairs etc. We do need to know of changes in the Booking Office so that we can get the invoices right, but it is not necessarily manned each day and recently messages on the answerphone have been picked up after the event! If you do not have a note of the caretakers phone number please ring the office and we will let bona fide enquirers have it.

SALTFORD PARISH COUNCIL NEWS

Barking Dogs

This Council has received complaints from various areas of the village about dogs making a lot of noise at night. One sets another off and this can be very annoying and frustrating for those wanting to get some shut-eye. If you are bothered by this, please remember that you can call the RSPCA or alternatively the Environmental Health on 01225 477000

20 mph Speed Limit

We are slowly moving towards achieving the 20 mph speed limit that has been in discussion stage for years. You will have seen a notice on the Parish Council Notice Board calling for any objections and representations by 6th October 2003 to the proposed scheme and, provided all goes smoothly, we hope to see this scheme in operation up and running before Christmas 2003 in the following roads: High Street; Homefield Road; Mead Lane; The Batch; The Shallows.

Slow Down Road Signs

During the months of October, November and December, flashing 'Slow Down' signs will be situated at two locations in the village, a fortnight at each site. The areas chosen are Norman road near to the junction of Brockley Road and Manor Road near to the junction of Longwood Lane and the commencement of Montague Road. It is hoped that these flashing reminders to drivers of vehicles exceeding the 30 mph speed limit will slow the speed down in our side roads. Just think, if ever they were placed on the Bath Road the batteries would not last a day as 'SLOW DOWN' would be displayed permanently.

Bonfires

Please remember that other people living nearby might not necessarily want to inhale the smoke and fumes of your bonfire, especially during the fine days and evenings with windows open.

Environmental Committee

The Chairman of this Committee would like to hear from anyone who has any concerns about matters currently affecting the village. If you have views on how you would like to see it develop in the future, please contact any of our Parish Councillors.

In the past this Committee has been instrumental in achieving many successes, for example the new larger post box in Victoria Road replacing the smaller one that was once in Claverton Road West; the repainting of all the telephone boxes in Saltford; Historic Saltford Maps (regretfully copies of these are not available for

sale); the planting of the Copper Beech Tree in the Memorial Garden in commemoration of the Queen's Golden Jubilee; dropped kerbs at road junctions; to name a few recent ones.

Broadband Internet Facilities in Saltford

This high speed facility is already available through Telewest Cable for our area at www.telewest.co.uk Should Saltford residents wish to have an alternative supplier, such as BT Broadband, this could be made available but would require interest reaching 100 enquiries which could then lead to an upgrade of our local exchange. To indicate your interest in this possible alternative, please register this at http://www.bt.com/btbroadband/register/ns_register_intro.jsp

SALTFORD PARISH COUNCIL RECYCLING NEWS

Kerbside Recycling Service

More and more people are using the weekly collections which now include paper and magazines, glass bottles and jars, food and drink cans, clothes, shoes, plastic bottles, aluminium foil, yellow pages, engine oil, oil filters, car batteries, toner and ink cartridges, mobile phones and spectacles. If you need a green box or smaller basket, call the Action Line. If you live in a flat or a place where you cannot use a green box or basket, again contact the Action line and an alternative service will be provided.

Garden Waste and Cardboard Collection

This new fortnightly service was commenced in June and is proving to be very popular. To take part you need either to use a wheeled bin from the Council or their paper sacks. Paper sacks are available from Keynsham Town Hall and can also be ordered by telephone but a minimum order of 10 sacks is required. Cardboard is collected free. You don't need a container for this. Garden waste and cardboard collected is taken to Queen Charlton for composting. The compost product is sold on to the public and the horticultural industry.

Assisted Collections

Help is available for both of the above services if you are elderly, infirm or have mobility problems. Contact the Action Line for further details. **ACTION LINE 01225 394041.**

speaker, Mr Horseman, gave a very comprehensive talk on "Bells and Bell-ringing", capping his presentation by initiating five members into the art of hand-bell ringing.

Saltford Townswomen's Guild

After a successful and enjoyable trip to Buckfast Abbey and Teignmouth in July, the normal monthly meetings resumed in August. Names were taken for a group visit to the Parade Gardens in Bath to see the floral arrangement commemorating 50 years of the Townswomen's Guild. Advance notice was also given of the proposed trip to see Bristol Old Vic to see the musical Cinderella. The speaker after the break was Mr Tim Hooper, a supporting actor in many TV programmes. He gave an amusing talk on his roles as diverse as a butler and a gorilla. He played in programmes such as Monty Python's Flying Circus and Casualty.

In September, we met again and after updates on the theatre trip and notice of visits to various events in Bath, many members said how disappointed they were with the floral display in the Parade Gardens representing the TG. The display compared poorly with other exhibits as it was lacking colour.

After coffee, Mrs Susan Marshfield entertained the Guild with another of her amusing talks entitled "Barefoot to Buckingham Palace". She has been fortunate enough to enjoy two visits. The first was fairly uneventful, driven up by a neighbour dressed as a chauffeur and she was impressed that

he could park free of charge in the Mall. The whole event impressed her. The second visit was on a very hot day, travelling with a friend in a very warm car in unaccustomed shoes! The rest you can deduce from the title of the talk. A thoroughly enjoyable morning.

The next meeting will be on October 9th with a talk on "Foreign Students I Have Known and Loved" by Mrs Beach.
