MESSAGE FROM JOHN DAVIES, CHAIR OF THE SCA

The financial year of the charity has just ended and by the time you read this we will have held the Annual Meeting. It therefore seems an opportune time to give a summary of our financial position to those of you not able to make the meeting.

The headlines are that during the year ending 31 January 2017 we had a total income of £109,670 and total expenses of £99,330 so we had a surplus of just over £10,000, compared with a surplus of just over £19,000 the previous year, due to the success of the Festival in 2015. So we had a pretty good year last year and this was despite spending a further net (after grants) £10,000 on maintenance/ improvements. However, this surplus of £10,000 would once again have been a substantial loss without £23,600 from fundraising, books (on wall and in hall), your generous donations and grants.

These surpluses have been essential in building funds to cover the projected cost of over £30,000 that will be necessary to pay for the much-needed refurbishment of the entrance and foyer areas, which we hope to be undertaken during the coming weeks.

The main items of note financially were :-

- SCAN advertising income remained broadly unchanged after rises of 31% and 30% in previous years and despite increased print costs made a reasonable surplus. Our thanks to all our advertisers and to the army of volunteers who deliver the SCAN to every house in Saltford.
- Fundraising last year raised over £11,400 and this coming year we hope the 80 plus events during the Festival will once again be enthusiastically supported. A huge thank you to the merry band of volunteers who help to put all these events on and to all of you for supporting so well during the year.
- Reg and Jill Williams, in a new initiative, donated all the money from books on their wall (24 High Street) and in the Hall and last year they were able to raise just over £2000 for the SCA.
- In terms of expenses, gas and electric were up a small bit, despite us taking a number of initiatives to reduce useage.

During the last year we spent a further £17,300 on maintenance and improvements at the Hall, bringing the total over the last 7 years to an amazing £147,000. The main item last year was the completion of the transformation of the stage lighting to LEDs which was greatly helped by a grant from Frances Haeberling through the BANES Ward Councillor's Initiative. Other non-regular items were :-

- Repairs to door entry system
- Stage rigging and electrical checks
- Replacement of paving slabs between Hall and Tennis Courts
- Saltford Hall sign
- Panto container base
- Architect fees connected with foyer refurbishment

As well as the grant mentioned above from BANES WCI, we are also very grateful to grants from Saltford Parish Council towards the cost of producing SCAN and towards the cost of putting on the forthcoming Festival. Last year we also received a grant from Quartet towards the cost of installing destratification fans in the Main Hall and Stage (see below) and a grant from Waitrose (green tokens!).

During the coming year we will be running our regular cafes and bars alongside other events and organizing another 9 day Festival in June. We will be using the money raised and what we have in the bank already, to progress further improvements this coming year including the total refurbishment of the entrance foyer as highlighted in the last SCAN. Already in this new financial year we have also spent just over £3,000 on the destratification fans that we hope will pay back in a couple of years and further architects fees in respect of the foyer refurbishment.

So just in summary, we have over the last 7 years spent £60,000 on maintenance items, £87,000 on improvements, making a total of £147,000. This has been substantially funded from raising over £85,000 from fundraising activities and £54,000 in grants and bequests.

Many thanks for your invaluable support over the years and in the future to ensuring that Saltford Hall remains a much loved community focus point.

AFFILIATED ORGANISATIONS

KEYNSHAM & DISTRICT LIONS CLUB

The club had a very good evening meal at Saltford Golf Club recently. This was so well received that we will be going there again.

The Annual Charity Quiz took place at Saltford Hall on Friday 17 March – the results of which were not available before going to press.

However, a number of large Easter Eggs are positioned around the area for raffle, in which the public are invited to partake.

K&DLC have also been pleased to help with the Wombles littler picking campaign in Keynsham.

Shortly, Keynsham Town Council will be encouraging organisations in the area to be involved with the "Floral Bicycle Trail" where bicycles are painted in bright colours, decorated with flower baskets and put in prominent positions around the town.

The club has been collecting used spectacles for some years. Just recently the Western Group of Lions Clubs sent 20,400 spectacles to Medico Francais for re-use in third world countries.

Recently two large bottles of commemorative Harveys Sherry were auctioned, which raised £215 which went to Lions Club International Foundation to support the measles programme.

Details of K&DLC activities can be obtained by visiting the web site - www.keynshamlions.org.uk

AVON WILDLIFE TRUST KEYNSHAM AND SALTORD GROUP.

This will be followed by a walk to see them in Priddy, on Sunday 16 July.

KEYNSHAM & DISTRICT MENCAP SOCIETY

Keynsham and District Mencap Society beat the winter blues with their Winter Extravaganza - Charity Dinner and Auction.

On Saturday 4th February 2017 Keynsham and District Mencap Society hosted its first independent Charity Dinner and Auction at the Saltford Golf Club in Saltford. The event raised in excess of £3500, and was held in aid of the Society's New Building Appeal.

130 guests arrived promptly at 7pm and were greeted with a warm welcome and a glass of prosecco, as the guests found their way to their tables live Jazz was performed exquisitely by Nicki Jefferis. The men were very smartly dressed in black tie and the ladies looked stunning in their evening dresses.

11 auction items had been generously donated by local organisations and Michael Ashbee of Davies and Way provided his expert services of auctioneer and he kept the guests buzzing and raising their bids.

Among the corporate guests at the Keynsham and District Mencap Society Charity Auction were iTeam Solutions from Saltford, VansGB of Bath and Toplink Envelopes Ltd.

The evening's events were rounded off with some floor filling tunes courtesy of Delboy entertainments, a regular DJ with Keynsham and District Mencap Society events, always guaranteed to play music to get everyone up dancing.

The event was called A Winter Extravaganza and it certainly lived up to its name, warming everyone up on a chilly February evening. A great time was

had by all, and the question was asked 'When's the next one? ..and 'Next time I'm bringing two tables of guests with me!'

Keynsham and District Mencap Society's 2017/18 fundraising objective is to raise funds to enable them to obtain their own centre, this has become a necessity, as the individual clubs are held in numerous venues across Keynsham, Radstock and Bath, as the local area continues to grow it is anticipated that there will be an increase in the demand for the provision. "If we remain as we are this will become a logistical challenge, therefore to enable us to keep costs down and continue to enhance our provision it seems prudent that we obtain our own centre which can facilitate our desire for additional sessions for our members, our own hall space, office space and extra storage needs." Said Lisa O'Brien Chair of Keynsham and District Mencap Society.

STOTHERT & PITT BOWLS CLUB

Here comes the 2017 bowling season. We are all looking forward to the season opening on April 11th. A full programme of matches is already arranged, both competitive and friendly, and we plan lots of bowls related social activities too. We play Ladies', Men's and Mixed matches so you will never be short of an opportunity to play matches if you wish to. Now that our green comes under Bath Spa University we can plan well ahead to ensure that the green is tip-top.

Bowls is fun!! You don't have to run or jump or hit things hard or train like a top athlete. It is a nice way to get steady gentle exercise with a competitive edge and friends alongside. Why not make your 2017 resolution to give it a try. Anytime. **Just phone Vicki Cox on 01225354535 and you can find out what a delightful sport it is.**

KEYNSHAM FOOTBALL CLUB

As this is written the season for all our teams are heading for the end of their respective seasons

with varying degrees of success. Our First team are still pushing for a top two finish which would give them promotion while our Reserve team is currently in a very strong mid table position. The Under 18 team is currently second in their league but chasing team has a few games in hand. The Under 15's are in a very strong 2nd place with a game against the top team soon. The Under 14's are also in 2nd place but likely to be overtaken by lower teams with games in hand. Unfortunately both our Under 13's and Under 12's are languishing near the bottom of their respective leagues but they both have come up against tough opposition. The results and league tables for younger age groups are not published but fair to say Saltford football at this level is alive and kicking! As a local club covering all age groups we are always looking to the future and hence welcome new players young and old.

However new players are only part of the equation. You may be surprised to discover that the cost of running the two adult teams amounted to some £7000 in 2015-16. This covered everything from First Aid expenditure through to pitch rental and upkeep which cost nearly £3000 alone. One cost not included above is the cost of warmup and playing strip. One set of strip costs in the region of £600 by the time we have the team badge on it – and strip doesn't last that many seasons! In addition there are other things that we would like or need to do, for example we will need a barrier around the First Team pitch if we are to get to the County Premier league. At present the costs of running the two adult teams is met almost entirely by the players. You may have seen the sponsorship drive we undertook recently and as a result we are pleased to welcome I J McGill and Eveleighs Estate Agents to the fold as they have both taken a promotional banner at First Team home matches. However we need to bring more financial support into the club, either by way of increased advertising, kit or team sponsors, or a whole club sponsor. Saltford Football club was established in 1902 and although we will never feature on a Match of the Day line up but is considered an important part of the village and a club worth saving. If there is anyone reading this who can offer help or advice please get in touch.

As always if you are able to offer assistance, advice, sponsorship or even if you just want to find more details please visit the website, where results and fixtures can be found, or contact Phil or Nic Saunder on 01225 872541.

KEYNSHAM & SALTORD HISTORY SOC

Keynsham & Saltford Local History Society concludes its winter season of talks in April with an evening entitled "Great Houses of the Gordano Valley" by Sandy Tebbutt". The date is Monday 24th April and the meeting starts at 7.30pm at St. Dunstan's Catholic Church Hall, Bristol Road, Keynsham. Visitors are welcome.

April also sees the start of our summer programme of walks and visits to places of historical interest, with a guided walk around some of the lesser known parts of Clevedon. You need to join the Society to go on these visits, although spare places on coach trips (planned for Mottisfont National Trust property and Cleve Abbey & Dunster in West Somerset) will be available to non-members.

If you are interested in our local history or our events, visit our website at www.keysalthist.org.uk.

THE FILLING STATION

Have seen this sign posted around the village each month and are maybe intrigued? Why not come along and investigate? You will receive a warm welcome. We are the Filling Station Saltford. We meet on the first Wednesday of the month (apart from January and August) at the Bristol Avon Sailing Club in Mead Lane at 7.30pm.

The Filling Station provides a local opportunity to top up with fuel for our Christian journey in an informal and relaxed atmosphere. Saltford has a special connection with the Filling Station Trust since Reverend Richard Fothergill, who founded the Trust, received the vision for the 'Filling Station' while walking on Kelston Round Hill. From its initial inception it has now become an international ministry. Since 2009 more than 80 such gatherings have begun both in this country and abroad with over 3,000 people meeting each month. It does not replace going to church but seeks to bring people across the denominations together with those who would like to explore faith.

We aim to celebrate the reality of Jesus Christ with informal worship in a relaxed atmosphere, giving an opportunity for people to meet, chat and listen to trusted and inspiring speakers. Sometimes those who come like to share what God is doing in their lives and we love to offer prayer for healing or other concerns and needs. There is no

charge for the evening but donations are welcome. Coffee, tea and cakes are always available.

We warmly invite you to come along on Wednesday 5th April 2017 when Marc McNab Jack from Bath City Church will be speaking on 'The Radical Jesus'. You will receive a warm welcome.

Date for your diary Wednesday 3rd May 2017—Beth Viljeon from the Lighthouse House Kingswood will be speaking.

SALTORD EVENING WI

On our first meeting this year Alisdair Naulls from the Marine Conservation Society came to speak and despite having numerous IT problems, we all thoroughly enjoyed his talk, and a subject that was very passionate to him. We are all more informed as to what fish to eat!! And more importantly where it is from. Vicki Cox entertained us with her photos of their walking holiday in Nepal at our February meeting it was funny and entertaining, and refreshing and much needed as our WI membership has had illness, accidents and passing of close friends. Spring is here and we are back out on walks and visits to places of interest and looking forward to our luncheon at Cameley Lodge in April and of course our Vintage Tea afternoon on the Wednesday of the festival and helping out at the school fete. We do have spaces for membership—come and see us and join the fun

KEYNSHAM & SALTORD WINE CIRCLE

Our Annual General Meeting as held in February and resulted in a slight change to the Committee. David Hallett left and Diane O'Neill took over from him. David was thanked by the Chairman for his hard work and support. The Committee is made up as follows:

President: Percy Mellor. Chairman: Alan Dummott. Secretary and Vice Chairman: Peter Church. Treasurer: Angie Dummott. Social Secretary: Tessa Lesser. Committee: Diane O'Neill, Rosie Turner and Sheila Whittle.

The members then rounded off the evening with an American Supper and social chat.

In March our President, Percy Mellor continued with his "Wine Travels and Tasting" presentation, giving us Part 2 of his of talk of wines from around the world.. Although we had a slightly reduced audience this evening it did not detract from an interesting, informative and knowledgeable tast-

ing of six wines. They were Verdejo, white wine from Spain, Chenin Blanc, Grenache, Roussanne blend from South Africa. Reisling from Germany, Montepulciano red wine from Italy, Zinfandel from California and Sauternes sweet white wine from France. Percy gave us a really enjoyable evening.

This is also the time to renew our membership of the Circle and to be given the programme of events for the coming year.

Information is now available on the Wine Circle's website by entering google.co.uk and inputting keynsham and saltford wine circle

If you would like more details regarding the Wine Circle, please contact Alan Dummott on 01225 873493.

SALTORD BRASS MILL

SALTORD BRASS MILL OPENS AGAIN TO THE PUBLIC FOR THE WEEKEND OF 13/14 MAY - National Mills Weekend. Then we will be open on Saturday 27 May and for both weekends of the Saltford Festival. We will have interesting joint displays, talks and demonstrations relating to metallurgy and metal working in history – check the Festival programme for details. Then we open on the second and fourth Saturdays each month until October with some additional Sundays when there are special events in the area. We are very happy to host GROUP VISITS by arrangement.

Saltford Brass Mill Project volunteers have continued to meet through the winter to care for the mill and develop new ways to explain and show it off to visitors, with only small floods to clean up his winter. We were delighted to host early visits from Huron University in Ontario and Year 4 from Saltford School. Fingers crossed for no spring flooding!

Saltford Brass Mill was in use from the 1720s until 1925 for the manufacture of brass pans, vats and kettles and brass sheet. There were four waterwheels and four annealing furnaces. The remaining waterwheel survived because it was adapted to drive a dynamo to light a squash court built in the mill in the late 1920s. The single standing annealing furnace structure survived as a wine cellar in the 1930s but is unique in the region.

If you haven't seen our replica hammer and turntable in operation - why not drop in? The team is always looking for new members in all sorts of roles, so if you are interested in our local industrial heritage, do get in touch.

SALTORD AFTERNOON WI

It was lovely to meet up with our fellow members again in early January and hear news of their Christmas and New Year celebrations. Our speaker for the meeting was Reg King who gave a talk on the History and Mystery of the Rolling Pin. Reg made the subject amusing and informative as he showed us just some of his amazing collection of 500 pins. We had no idea how many different materials and designs could be used to produce a rolling pin. Our members were informed of upcoming trips in January to Ten Pin Bowling (followed by a meal) and to a 'silver screen' showing at a cinema in Bath. The meeting finished with refreshments.

The speaker for our February meeting was a local resident, Sally Woodham. Sally professionally upcycles wooden and other household objects with the use of paint and re-upholstery. She showed us how to prepare and paint items to give them a much more modern look and so avoid a trip to the tip and possible destruction. Many of our members have been inspired to try this or at least to employ Sally to do it for us. Before we had refreshments we were informed of an upcoming coffee morning to be run by the committee and held in a member's house. This event was very well attended and was most enjoyable with plenty of homemade cake and a raffle.

SALTFORD TENNIS CLUB

We have played throughout the winter in the rain and cold and are looking forward to the Summer season!

We are delighted that, after a long time in the planning, we are in the process of having our three tennis courts resurfaced. We are looking forward to starting our new year with smart new courts.

We are pleased to introduce a new coach to our Bath Uni team, Ricky Reardon, who will run the coaching sessions on Wednesday afternoon/evenings and Saturday mornings and Dillon Slade will continue to run the Monday afternoon/evenings. Bath Uni are now taking bookings for the Summer

programme which starts on 24th April. Please contact them directly on phone 01225 384247 or email tennis@teambath.com and see our website (www.saltfordtennisclub.co.uk).

We had a very successful 2016 with a lot of new members joining the club through our popular first year membership offer. As a result, we are pleased to announce that we are going to continue this special offer, for new members and those who have not been members for the last two years. This is for full membership and will offer all the benefits of membership including attending Club Nights and discounts on the cost of coaching. The offer is designed to attract more players either new to tennis and want to try it out at low cost or players who have not been active for a few years and could be encouraged back into play. Please see our website for more information.

We are looking forward to the Festival and will be running an open taster session on the opening Saturday (10th June) and a quiz evening on Monday (12th June).

KEYNSHAM & DISTRICT TWINNING ASSOC.

This year 2017 is a very special year in the calendar for Keynsham & District Twinning Association. It is the year our Association celebrates 40 years of Keynsham being twinned with Libourne, Nr Bordeaux France. Something our members are proud of.

Over the 40 years many changes have taken place, not only around our world, but locally. The Town of Keynsham has changed significantly. Keynsham has lost the chocolate factory, several of the local shops have disappeared to be replaced by others, road changes and a by-pass built, the cinema closing, local flooding causing a much damage, a new Council building....

However through all these many changes, Keynsham & District Twinning is still in operation.

Many reading this may have the idea that Association members travelling to Libourne, have their travel expenses met by our Town Council- nothing could be further from the truth.- we are not a Council run Association, but we do have strong links to Keynsham Council.

All our members wishing to travel to and from Libourne pay all their own expenses,

Twinning as you may have noticed fund raises with quizzes, dances, and the like, however we then share some of our profits. Over the past few years we have been pleased to donate to Mind,

Dorothy House, Butterflies, and Clic to mention just a few.

Our celebration of 40 years will we hope be something that not only our members will enjoy, but friends both old and new visiting us from Libourne, this includes several from Libourne Council including the Mayor and his Deputy, all visitors hosted by Keynsham Twinning members.

As part of this special visit Keynsham Town Council have agreed to part fund the official naming of The Libourne Suite.

The Twinning Association itself hope to have two special commemorative information boards on twin towns Keynsham and Libourne for everyone to view.

Our 40th celebration commences with a quiz on 17th March to be held at The Royal British Legion, teams of up to 6 per table £5.00 per person which includes supper - for tickets see below for contact numbers.

As our Libourne visitors will be here in Keynsham during the Keynsham Music Festival we shall be hosting a dance with Thornburg Swing Band who plays swing jazz instrumental and vocal numbers from the 1930's right up to modern times tickets will be available very soon.

SALTFORD ENVIRONMENT GROUP

To find out more about any of our groups and SEG look us up on www.saltfordenvironmentgroup.org.uk. Better still come and have a chat to our members on the Saltford Environment Group stall on the 10th June and at The Old Village Day, 11th June. This is a 'not to be missed' afternoon family event with something for everyone. Enjoy.

Tackling everyday litter in Saltford

We would like to thank everyone who already takes the care and trouble to pick up litter when they see it in Saltford.

June's Saltford Festival will be celebrating and showcasing all that's good about Saltford. This is a good time therefore to remind everyone of the shared responsibility we all have to keep Saltford

litter free. It may not be our litter, but it's our village and we all want to keep it clean.

One way we can all help to discourage litter is to remove it when it appears so that litter in our village is the exception, not the norm. We want to encourage everyone to remove litter from the pavements at and near their own properties so that together we can make a difference in keeping our village cleaner and tidier. Many residents already do this but the more of us who do this, the less there will be for each of us to pick up.

Saltford Wombles have monthly litter picks in the spring and summer months and there are also several street volunteers, individuals or families who remove litter from the area where they live or regularly walk, so we hope you are noticing a difference.

If you want to know more about Saltford Wombles and/or volunteering for your street contact Julie Sampson by email to juliesampson@gmail.com or tel: 01225 874603 or 07807 671267.

Saltford Upcycling Craft Group

Where there is glue, old Christmas cards, Chinese newspapers and curtain rings there is treasure. The Saltford Upcycling Craft Group have a taster session on June 16th in Saltford Hall, fun for adults and children alike and a great way to do something with those things you 'just can't throw away'. Do join us and enjoy creating your very own designer treasure to take away.

Saltford Wombles

The Wombles of Saltford will be with the Upcycling Group on the 16th June- taking pride in our environment is important to us and we hope doesn't go unnoticed.

SALTORD SCOUTS

Scout Leaders from 1st Saltford have been celebrating awards received from the Chief Scout for dedicated service.

Tina Curtis, Julie Brewer, Jane George, Helen Bush, and Penny Fisher all received the Chief Scout's Commendation for Good Service. David Moore received the Bar to the Award for Merit. Group Scout Leader Graham Bush said, "These awards are not automatically given, and are in addition to those for long service. They recognise particular dedication to the Scout Movement, and I am delighted to be able to work with these great leaders for the benefit of young people in the Saltford area."

SALTORD FAIRTRADE GROUP

The Saltford Fairtrade Group has been busy over

the last few months, planning for future events and promoting Fairtrade at a coffee morning during Fairtrade Fortnight. In March we lost our local Co-operative store which has been at the heart of our village for many years. We would like to thank the staff for their service to our village and express our appreciation for their support throughout our quest to become a Fairtrade village and maintain its status, the store and those staff who will be moving on will be greatly missed by all of us. Making Fairtrade products available locally is important and we will be actively working with Fairtrade and our local shops to ensure this continues.

The Saltford Festival will be returning in June and we thank the SCA committee for making it a Fairtrade friendly event once again. If you are baking for the event, you too can do your bit by purchasing products showing the Fairtrade logo. Your lovely home-made goodies will go nicely with some Fairtrade coffee and tea.

Dates for your Diary - come and have a chat with us on June 10th along with all the SCA affiliated groups at Saltford Hall, it's a great way of finding out about the wide range of groups and activities in the village. Join us at lunchtime on 15th June in St. Mary's Church Hall when Lyndsey Wright a Traidcraft supplier will share her wealth of knowledge about Fairtrade and why by buying Fairtrade products you are helping to transform the lives of the producers, their families and villages lives.

SALTORD SPORTS CLUB

Saltford Sports Club is thrilled to host a brand new free event as part of the Saltford Village festival this year - Saltford Super Saturday. This is an action packed, fun filled day of entertainment for all the family. Starting with taster sessions from several local sports clubs in the morning, there will then be team games and competitions, including Battle Archery, for everyone in the afternoon. For spectators and those having a rest there will be vintage scooters to admire, tasty treats to eat and a licensed bar open from lunchtime until late in the evening. As energy levels begin to ebb away there will be live music to entertain the crowds and a screening in the Sports Club of the England - Scotland game. Finally after the match, a live performance by Smack the 80s will finish the night off in party style. The stage for Smack the 80s, will be set up all afternoon, and the Saltford Super Saturday team would like to use it to give local performers the opportunity to showcase their talent. A PA system and sound engineer will be provided. If any young musicians or bands would like to perform on

the stage in the afternoon, either a single number or a whole set, **please call Odette on 07896 219653, or message Saltford Super Saturday through their Facebook page.**

SALTORD SANTA DASH

Following our fourth successful event in December I am pleased to report that the beneficiary Charity . Butterflies-Haven in Keynsham was handed a cheque for £10108.52 which includes the money raised by the Santa Dash plus funds raised on the day by Butterflies, gift aid and direct donations following the event

The event was well supported again this year with total numbers of runners in the children's run of 400 and in the adults over 500.

We are grateful for the assistance and financial support of our many sponsors without whose generosity the event would not be possible and the many individual volunteers who help to set up, take down and supervise the run route without whom we would not be in a position to hold the fun run. Not to mention the patience of other road users on the day.

The run attracts a great number of spectators around the route and on the sports ground adding to fun filled atmosphere and I know their encouragement is welcomed by the runners most of who are not regular runners and need all the help they can get.

Adrian Inker, Chair of Butterflies-Haven said "Butterflies - Haven offer a valuable service to children, young people and families who lives are effected by Autism. The money raised will not only help support our existing sessions but allow us to extend our services, with the introduction of a Saturday drop-in session to help more children, young people and their families. The money will also give us the opportunity to offer more days out to our young people and also the possibility of an adventure weekend. Thank you all once again. "

On behalf of the organising committee I would like

to thank all those involved in making the event a success and helping us to support through the raising of this money the valuable work being carried out by Butterflies who provide support to local children and their families living with autism.

Over the past four events we have managed to raise in excess of £40,000 for local causes, we are intending to hold the next fun run on 3rd December 2017 and will be inviting applications from local charities, our general criteria are that the proceeds should benefit children and youngsters in the Saltford and Keynsham areas. So please check out the website www.saltfordsantadashwebs.com and contact us if you wish to have your cause considered for the upcoming event.

BRISTOL FRIENDSHIP FORCE

Bristol Friendship Force has joined the Saltford Community Association list of Affiliated Organisations as a number of members live in the village.

Bristol Friendship Force is one of the UK group of clubs that come under the umbrella of Friendship Force International. FFI was established in 1977 in Atlanta, Georgia. It is a non profit making, international, cultural exchange organisation which gives members the opportunity not only to travel but to stay in the homes of local participating members from a possible 70 countries. In return local members receive guests and share with them, different cultural views and traditions and also discover common ground.

Bristol Friendship Force has members from Bristol, South Glos and B&NES, and recently has included 'satellite' members from Wales, Glos and Devon. The group members are lively, open minded and love travel. The Bristol club also offers opportunities for social events and trips. We all find that by hosting and traveling we learn a great deal about our own region as well as the new regions we visit on our journeys

Why not join us for a taster journey for a hosted week in The Belgian Coast region including Bruges and Ghent, followed by a week in Rheinhessen the German wine growing region on the German/ French border. The dates are May 8th - May 22nd travel will be by train.

Diane Hooper was nominated for a lifetime achievement award in Guiding. Mike Knight was nominated in the volunteer of the year category for his service at Greenhill House, a home providing a range of services for adults with physical disabilities. The Saltford Brass Mill Project volunteer group was nominated in the volunteer team of the year category. Although not winning one of the Chairman's awards, all the Saltford nominations received certificates from Cllr Alan Hale, B&NES Chairman, in a presentation at the Guildhall, Bath. Cllr Hale thanked all the volunteers for helping to make the communities in B&NES a better place to live.

JACK'S DAY

Every week in the UK at least 12 young people die suddenly from undiagnosed heart conditions. A lot of people in the UK may not be aware of this but for people in Keynsham and Saltford sadly we know this fact all too well. It will be 8 years this August since Jack Boulton passed away due to an undiagnosed heart condition which rocked the local community and left a big hole in all

our lives.

Every year family, friends and the local community gather together at the Saltford sports club to celebrate the life of Jack Boulton and raise money for the charity CRY. Cardiac Risk in the Young (CRY) has been working to reduce the frequency of young sudden cardiac death. They offer bereavement support to families affected by young sudden cardiac death (YSCD) and promotes heart screening programmes as well as funding medical research.

Over the last 8 years we have raised a tremendous amount of money for CRY. Money raised last year was used to fund a screening day for the local community.

Preparations for Jack's Day 2017 are well underway and we expect it to be the biggest and best yet. It will be held on Friday 26th May 2017 at Saltford Sports Club starting at 19:00 and finishing late into the night.

This year there will be a football match between Saltford AFC V Keynsham cricket club (kick off 18:45). There will also be Live music, DJ, BBQ, Raffle, bar and auction (previous prizes included an Audi experience, signed Manchester united shirt, signed rugby shirt and other signed sports memorabilia).

Obviously this event cannot be a successful without the support of the Keynsham and Saltford community....If anyone can help on the day or donate raffle prizes we would be very grateful.

This is an open event...we encourage you to invite friends and family to support this amazing cause and continue making this event a roaring success.

All proceeds from the day will go to CRY. We look forward to seeing you on the 26th May.

DONATION APPEAL UPDATE

In the last SCAN we encouraged you to support financially the continued availability to walkers, runners and horse riders of the 4.5km of permissive paths to the west and south of Salford. I'm pleased to say that since launching that appeal last time, we have now raised (including Gift Aid) £1200 towards our target of £3000. You have also generously donated a further £540 for the work of the SCA. A huge thank you to those who have already donated.

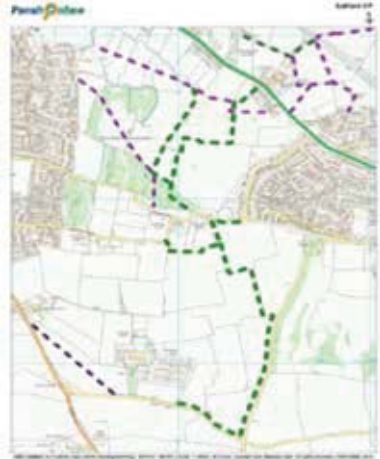

In order for the permissive paths to remain open next year and beyond, the SCA needs specific donations to raise £3000 and we are pleased that we are already 40% of the way there this year. It needs just another 60 people to donate an average of £25, plus Gift Aid, to reach our target. This is a small price to pay for continuing to enjoy over 4.5km of footpaths.

Without regular, annual donations from residents to cover the costs, the SCA will not be able to keep these paths open and it is highly likely that once closed they will remain closed for ever as the land will be planted with crops.

If you regularly use any of these paths and wish to donate and don't still have your donation envelope, then please either pick one up from the foyer of the Hall or go to our website where a specific section can be found at

http://www.salfordhall.co.uk/Permissive_paths.html

This page provides a link to a downloadable Gift Aid form and details of how to make a donation including via Paypal. It also allows you to specifically indicate how you wish your donation to be used. We will provide a further update in the next SCAN.

SALTFRD PANTOS ORIGINAL PERFORMANCE OF:

all involved.

Yet again Salford Panto club has had another stampeding success in our latest production. It has been a great privilege to work with everyone in the club this year, they have made the entire process rewarding and enjoyable for

Once again, the club thanks the support of the fantastic Salford hall and all its staff, affiliated groups and volunteers. A special thanks to those groups and volunteers who helped us in the set up and running of our pantomime. Of course, the club is also thankful to the residents of Salford, and surrounding areas as well, who year after year come to our pantomimes helping us celebrate the hard work of the groups cast and crew (and hopefully they enjoy a good giggle as well!).

Our next production will be Dick Whittington -Saviour of Old London Town, and we are very excited to announce that it will again be a new script for the club! Saltford Festival 2017

The nine-day Saltford Festival has become a village tradition and is now in its fourth incarnation. This year's programme is as varied as ever, including music, dance, poetry, drama, comedy, exhibitions, talks and guided walks, competitions, and, of course, food and drink, with some new events appearing for the first time. As always, the aim is to include as many local contributors as possible.

For this Festival we are excited to welcome "Admiral Kelly", a former resident of Saltford House! He can be recognised on the Old Village Day (11 June), in full uniform, standing outside his old home alongside the new plaque erected in his memory. He will be willing to answer questions and to talk about his achievements as well as life in his time.

Another major addition will be the involvement of Saltford Sports Club with *Super Saturday Afternoon* on Saturday June 10th from 1.00pm into the evening. We are promised, among other things, Battle Archery, Volley Ball, an exhibition of Vintage Scooters, music, and a screening of the England v Scotland football match! New to the Festival will also be a Community Cinema showing of the classic film *Singin' in the Rain* (13 June) and a Country & Western Afternoon Tea Dance (16 June).

Tried and tested events are, of course, included. The Festival would not survive without its Quiz, the Country Market, the Jazz evening, the Choir, the walks, talks, dance, song, competitions and over-eating! Bob Webb is willing to cross the Severn Bridge to give us an evening of his inimitable humour (16 June) supported by local singer Nicki Jefferis and a two-course dinner. Our own John Isaacs will leave his audience spellbound after his Night of Magic and Mystery (14 June) and Saltford Drama Club will entertain with a Murder Mystery Evening (17 June). Many other local organisations and

helpers are taking part to provide a most entertaining week.

Jacob Rees-Mogg, our local MP, has supported Saltford Festival since its birth in 2011. He will join us again this year on Old Village Day, as well as being one of the five speakers in the popular, weekday series of lunchtime talks in St Mary's Church Hall.

The nine days will conclude with a wonderful finale at Saltford Golf Club on the afternoon and evening of Sunday 18 June.

We are now starting to regularly post more information on all the planned events on our Saltford Festival Facebook page <https://www.facebook.com/Saltford-Festival-110300772368555/>. You can also visit our website at www.saltfordfestival.org.uk

As you will see, most events are free, but some are ticketed. These tickets will go on sale on 1 April at Saltford Post Office (Monday to Saturday), Saltford Hall (weekday mornings), Davies & Way, Saltford (Monday to Saturday), the Bar at Saltford Golf Club (every day), or via events@saltfordhall.co.uk.

HELP is needed. Whatever your skills please come forward - your village needs you! Please register your interest at events@saltfordhall.co.uk or ring the Office on 01225 874081. Your offers will be taken up in early April.

Our membership ranges from management consultants to landscape gardeners and from financial advisers to sports clubs. New members will always be welcome, all you need to be is a business person residing, or actively engaged in business in Saltford.

Already in 2017, thanks to our members iTeam Solutions Ltd and Whittock Consulting Ltd respectively, we have been updated on the serious issues of Cyber Security and the responsibilities of Company Directors as well as enjoying (with an equally serious approach) a delicious Network breakfast at Newton Farm!

Saltford Business Network continues to develop links with business organisations in the region, so keeping our members informed of local and regional issues. Our programme for the remaining months of 2017 continues, with the usual blend of informal social gatherings and informative seminars and events.

SALTORD SHORT MAT BOWLS CLUB

Two months since our last bulletin, during which time we have held our Club Triples Competition, which was won by Alan Durber, Ron Kent and skip, Kath Crabb. We hadn't taken delivery of our Shield in time for the presentations at our A.G.M., but we managed with a cardboard cut-out which caused a few laughs!

Avon County ran their Annual Triples Competition just prior to our Triples and I am very happy to report that one of the teams from Saltford played very well and won the Title for the year. They were Chris Greateorex, who had never played at the Bristol venue before, Lyn Dorey and Joan Hamblin.

Early in March we ran our Invitation Mixed Fours tournament. Clubs came from a variety of locations, Ilchester, Wells, Wiltshire, Weston –super-mare, to name but a few. Clubs played a total of five games each, with lunch, teas & coffees accompanied by delicious home-made cakes between times. A happy, but competitive, day was had by all. The winners were the team from Woolhope, (their Skip was a very good lady player who is also the Captain of Hereford County Squad). Four teams ended their matches with eight points and the result was decided by the highest shot score.

Why not join us, learn a different skill and meet a few new people. We play on Monday, Wednesday and/or Friday afternoons at Saltford Hall.

Keynsham Light Opera Group

presents

“9 TO 5 - THE MUSICAL ”

Broadlands Academy, Keynsham

Tuesday 25th April to Saturday 29th April 2017

Evenings at 7:30pm Saturday matinee at 2:30pm

The triple award-winning Keynsham Light Opera Group are proud to present this hilarious musical, based on the 1980 hit movie starring Dolly Parton (who wrote the music and lyrics). It is great fun for the whole family, with toe tapping tunes. This show is sure to entertain.

Pushed to the boiling point by their boss, three female co-workers concoct a plan to get even with the sexist, egotistical, lying, hypocritical bigot they call their boss. They conspire to take control of their company and learn there's nothing they can't do — even in a man's world. Set in the late 1970s, 9 TO 5 - THE MUSICAL is a hilarious story of friendship and revenge in the Rolodex era. Outrageous, thought-provoking, and even a little romantic, 9 TO 5 - THE MUSICAL is about teaming up and taking care of business

The show is directed by the multi award-winning director Scott Rogers (Artistic Director of Zenith Youth Theatre Company). Lee Tesdale is Musical Director and Tracey English is our Choreographer.

Tickets at only £10 are available from the Box Office. Telephone Tracey on 07580 259757 or email: klogs@hotmail.co.uk or any member of the society. Concessions (Senior citizens) are available for £8 for every show and for children under 14, tickets cost £5. For any group of 10, one ticket will be free.

Visit our web site www.klogs.co.uk for more details and to book tickets on-line.

I work with women who struggle to have a successful pregnancy and want to have a baby. What sets me apart from other practitioners who work in this field is my personal journey. Annual Parish Meeting 4th April 2017

Everyone is welcome at the annual Parish Meeting. This year we are again presenting our Community Awards at the meeting. Winners will get £60 for their chosen Saltford group, project, cause or charity. There will also be a review of the Parish Council's year, opportunities for questions and comments, as well as (we hope) Fair Trade refreshments and an opportunity to socialise. The meeting will be followed by a regular meeting of the Parish Council Planning Committee.

Grant to Saltford Brass Mill

The Parish Council has made a grant of £510 to Saltford Brass Mill to install non-slip decking strips on the access footbridge for the safety of visitors.

Traffic volumes on the A4 at Saltford

Below are the weekday average total number of vehicles in 24 hours on the A4 at Saltford 1998-2016 (both directions combined). There has been a drop of 12% in the total number of vehicles travelling on the A4 Bath Road since the peak of 2002. Very little traffic passes along the A4 between 8pm in the evening and 6am in the morning. Not surprisingly, traffic volumes normally peak daily between 7am and 8am and between 4pm and 6pm. On Fridays the morning traffic builds up more slowly.

Dear Friends

A warm welcome awaits you at any of our churches across the benefice this Easter. All the details of our services can be found on our poster opposite. We wish you a Happy Easter and look forward to celebrating with you.

Messy Easter (Saltford) - is on Sunday April 2nd in St Mary's Church hall from 4-6pm. All are welcome.

Memorial Garden in St Mary's Churchyard - this is still ongoing but by the time this is printed we hope that permission will have been granted and work begun on creating the garden.

Ladies you are invited to a ladies brunch on Saturday 8th July at 9am in St Mary's Church Hall. Tickets £5 are available from the Parish Office.

The Revd Joanna Jepson will be speaking on fashion, faith and identity. Joanna is an Anglican priest, who in 2006 set up the first chaplaincy in the British Fashion Industry based at the London College of Fashion. Here she created The Empty Hanger, a project working with secondary school students exploring themes such as fashion, faith and identity. Before ordination Joanna was a barmaid, worked with teenage victims of drug and domestic abuse and lived in a Welsh convent with 13 contemplative nuns and monks. Now based in Wells, with her husband and son, Joanna continues to serve as a priest. She writes and presents for BBC Radio 4 and Radio 2, and regularly speaks at conferences & retreats on body image, spirituality and fashion.

A Time to Remember - All Saints Corston will be hosting another service, where everyone has the opportunity to remember someone they have loved and lost. Names will be read out and candles lit as a symbol of our prayers. **Sunday 23rd April at All Saints Church Corston at 630pm, refreshments to follow.**

Our next **Afternoon Tea** for those who have recently been bereaved and would like support and company on a Sunday afternoon - is on May 28th in St Mary's Church Hall 2-4pm. All are welcome.

No one should go to bed hungry - In 2016 the number of food parcels which were distributed by Keynsham foodbank doubled from 2015, and is set to increase. We are hoping to have a distribution centre in St Mary's Church Hall - if you would like to be involved and can volunteer a couple of hours a month, or perhaps you or someone you know may be in need of support from the foodbank - then please get in touch with Daile.

..... and looking forward to celebrating the Saltford Festival with you, through our Flower festival, Songs of Praise and Open Gardens. For information about anything mentioned above, or anything else, please get in touch.

Blessings, Daile

EASTER SERVICES

Good Friday: Service at 10:30.

Easter Sunday: Service at 11:00.

Please join us as we worship and praise our risen LORD and Saviour. Who took our sins, paid the price, died and rose again to restore us to the Father.

We may not know you, but God does. He knows where you are in life and what concerns you have, and it is He who wants to reach out to you. He knows about the dark days as well as the good days. He knows of the days of joy and laughter as well as the days of despair. We encourage you to give Church a go, and see what happens. Jesus identifies Himself as the Good Shepherd who cares for people like us, and actually proved it by living and dying in our place to make a way back to God again.

For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life. For God did not send His Son into the world to condemn the world, but that the world through Him might be saved. (John 3:16-17)
