An Update on The Hall

Since the last SCAN we have continued to make improvements to the Hall and address maintenance items, so that the Hall is even more of a pleasure for people to use now and for future generations.

Over the last couple of months we have installed a new set of outer entrance doors in white UPVC which have dramatically reduced heat loss and provided improved security when the hall is locked. They have also further smartened up the appearance of the Hall. We have also installed a new Fire Alarm system throughout the premises. On a smaller scale we have had the upstairs floors and stairs cleaned and sealed and they look much nicer now.

As mentioned in our last update, we have had significant water ingress issues in the below stage area for many years and we are determined to get this resolved. Work has now started to seal the outside of the building to ensure further water stays out and we apologise for the disturbance to the car park while this work is carried out. Our thanks again to local residents Clive Shipley, who runs Arris Construction, and John Blake a local architect, for getting this important work done.

We are also delighted to announce that by the time you read this, we should have installed a hearing loop in both the Main Hall and Avon Room. In both rooms there will be roving and tie clip microphones provided, that will also work in conjunction with our PA system. We would encourage all hirers of these rooms to make use of the hearing loop equipment to make their meeting more accessible to all. Our thanks to Francine Haeberling and Mat Blankley for providing the funding from their Ward Councillors Initiative.

We have now also started to look at the installation of a lift to allow better access for all to the upper rooms and to look at cladding the front exterior of the building to much improve insulation and appearance. We will also be replacing guttering at the rear of the building and around the Wansdyke Room, together with refurbishing the below stage area once the above external work has been completed.

As always, none of this work is possible without the donations you provide, the money we make on fundraising events and the income we derive from hiring out the Hall. In whichever way you may contribute, thank you so much for your support over the last few years which is now allowing us to tackle some of these long needed jobs.

Of course please do get in touch at events@saltfordhall.co.uk or ring the Office on 01225 874081 if you would like to help or get involved in any way in the future.

Saltford Legend Retires

Many people in Saltford and the surrounding area will have used Sinclair of Saltford Taxis over many years and know Ian Sinclair. After more than 20 years of serving our community, Ian has decided to stop getting up at 3am to do airport runs and to enjoy a more relaxing retirement around Saltford. We would like to wish Ian (and Sue) a very happy retirement and to thank him for looking after us so well. Darren Fallows, another Saltford resident, will be taking over the business from Ian and renaming it Fallows of Saltford - see back page.

SALTFORD PRIMARY SCHOOL

Job Vacancy
Following the resignation of our current clerk, Mrs Jennifer Evans, who has served the school for the last few years, The Governing Body is seeking to appoint a Clerk to the Governors to play a vital role in supporting the Governors in their contribution to the life of the school and education of pupils. The Clerk is accountable to the Governing Body, working effectively with them, the Chair of Governors, the Executive Headteacher and the Head of School. The Clerk will need to attend 6 full Governing Body meetings a year, and provide a professional clerking service to the governing body. There maybe the opportunity for the clerk to do additional hours as part of sub-committee meetings - to be discussed with successful candidate.

The Clerk will need to:
- Take accurate minutes.
- Collate and distribute agendas and associated paperwork in advance of meetings.
- Keep accurate and up to date records and ensure that all committees do the same.
- Be available to take minutes at 6 Full Governing Body Meetings spread throughout the year - these are usually held from between 6 and 7:30pm.
- Be available for agenda setting meetings.
- Provide procedural and legal advice and guidance - attend relevant local authority training events.

We would like to thank Jen for her splendid work for the Governing Body and wish her well with her new role at the Teaching School
Should you be interested in this most important job, then please contact the school.

Applications must be received by 4pm Friday 5th April

SALTFORD Short Mat Bowls Club
Why not come along and enjoy the social aspect i.e. pleasant roll-up, tea and biscuits and a chat. Or play more competitively and be included in our teams, the Scallywags, Scamps and Sorcerers who play against other clubs in the Bristol and District League. Then we have those who are really keen and have been chosen to represent Avon playing in Inter-county matches. We have eight players (you may have seen their photo in the last edition of ‘keynsham Voice’, very smart in their blazers) who yesterday played against a team from Herefordshire in Bristol. So a comprehensive mix of abilities and we all play happily together at the Hall.
We are always looking for new people to come and enjoy our sport. We offer an encouraging approach and coaching. No equipment is needed to start (just clean socks). Why not come along a give it a try. If you `phone our Secretary, Joan Hamblin on 01225 872389, she will arrange for someone to greet you and guide you through the initial stages. Look forward to seeing you.
Interested in learning new skills or have existing skills that you want to put to good use?

The SCA are keen to train up a couple of people to become familiar with the lighting and sound systems in Saltford Hall. Do you have existing skills in this area or want to develop new skills in this area?

If so, please get in touch with the Hall on 01225 874081. Training will be given and you will get to occasionally see future shows for free!! We will obviously provide the necessary training.

For the latest information on the work of the Saltford Environment Group Including the Station Campaign, go to www.saltfordenvironmentgroup.org.uk

Saltford Station Campaign

Network Rail’s Strategic Business Plan for Control Period 5 (2014-2019) and Network Rail Specifications (Western) both make reference to a station at Saltford as part of the Greater Bristol Metro project with half-hourly services. This is the first time that a station at Saltford has appeared in public rail industry documents. This confirms that Network Rail has the expectation of a station at Saltford for all its ongoing work.

At the B&NES special meeting of the full council (4th March) to agree changes to the Core Strategy, the Conservative Group tabled the following amendment headed “Changes to Core Strategy - Land at Keynsham East”:

“To request that Cabinet investigate all possible locations for a re-opened Saltford Station, including those with adequate parking facilities and which could also be accessible to residents of East Keynsham.” This amendment was accepted by the ruling LibDem Group.

The Saltford Station Campaign, while unaware that the B&NES Conservative Group had tabled this amendment, was already aware of the proposition.

The Station Campaign has no problem with all possible locations being considered but the focus at this time is the existing Saltford Station site on Bath Hill. We feel that good access on foot for the majority of Saltford’s residents is an important consideration.

The Station Campaign was represented at the AGM of TravelWatchSouthWest which is a forum for transport user groups. The meeting was addressed by Mark Hopwood, Chief Executive, of First Great Western.

Caring for your feet
Are you missing the company of a dog? Would you be able to care for a dog on a regular basis?

Due to the high demand for our services Barking Mad Bristol are looking for host families to care for a dog whilst their owners are away on holiday. We provide all the benefits of dog ownership but without the full time emotional and financial commitment. Whatever your circumstances, if you are a dog lover and interested in providing a loving home then I would really like to hear from you.
The draft programme for the Saltford Festival, June 8th - June 16th has been inserted in the centre pages of this edition. The festival covers a 9 day period starting on Saturday June 8th with an open morning in Saltford Hall. The famous Saltford Cafe will be open with food and light refreshments. Radio Bristol will be there to track events and will be anxious to interview visitors. The winners of the Short Story Competition will be awarded their prizes.

Throughout the week there is a well thought out series of events to suit all ages and interests. Planning the Street Fair on the Old Village Day on Sunday June 16th, costuming The Village Crier and Brunel, organising the Fun Dog Show and collating speakers, exhibitions, concerts, dances, walks, the quiz and finding stall holders for the Country Market are still some of the tasks ahead of us! We are very pleased that so many Saltford organisations are to be involved. The hard work by so many people is, however, being rewarded as the posters fly off the printer providing visual recognition that it will be all right on the week - no rain!

If you would like to help in any way over the 9 day Festival or would like to offer an open garden in the old village area or would like a stall at either the Country Market or Street Fair on final Sunday, please e-mail us at info@saltfordfestival.org.uk or ring me on 01225 872489, as we'd love to hear from you.

The first tickets will be available at the start of April. They will be on sale at a variety of venues, including the Post Office, Saltford News and Saltford Hall.

PAST FUNDRAISING EVENTS

Bath Spa Band
Saturday 26 January 2013
We once again welcomed the Bath Spa Band who started off our New Year by entertaining many with a programme of traditional Brass Band and Big Band music. The event made £130 for the SCA.

Caribbean Evening
Saturday 23 February 2013
Following the sellout success of our Mexican themed evening last year, we decided this year to hold in the depth of our winter a Caribbean themed evening to warm things up. And things certainly got warmed up with hot food and everyone dancing till well past 11pm. As you can see from the photos many came suitably attired as pirates and the like!

There were great cocktails put on by the Saltford Fair-trade Group, a wonderful school steel band and very topical (and tropical!) music from Nosy Parker. With over 150 people present the evening was a huge success and we raised over £1500 on the event. Our thanks to everyone.

Jumble Sale
Saturday 2 March 2013
This now annual event was again well attended with nearly 200 people taking away dozens of bargains. Our thank to all those who attended as well as all those who supported in terms of donating items. A major attraction was the smell of Newton Farm bacon wafting through the Hall from the café. Over £750 was raised and our thanks to an army of volunteers who made this such a success again.

More photos from all these events can be seen on our Facebook page at www.facebook.com/pages/Saltford-Community-Association/186494898072876

KEYNSHAM LIGHT OPERA GROUP presents “ANNIE”
At Saltford Hall Tuesday 30th April to Saturday 4th May 2013
Evenings at 7.30 pm Saturday Matinee at 2.30 pm

Keynsham Light Opera Group are well into rehearsals for the block-busting show “Annie”. It promises to be another great hit with a very gifted team of girls to play the orphans and Scott Rogers to direct it as well as the usual company and orchestra with Lee Tesdale as Musical Director. When tickets become available in February make sure you book yours early to get the best possible seats.

‘Annie’ is one of the world’s best loved and best known musicals! It is set in the year 1933 during one of the most difficult periods of American history – The Great Depression. Annie is a fiery, brave young orphan who is forced to live a life of misery under the cruel rule of the matron, Miss Hanigan. Fed up with this kind of life, and determined to find her parents, she decides to run away...

The musical is full of well known songs including: “Tomorrow”, “Hard Knock Life”, “Easy Street”, “N.Y.C.” and many others. You won’t want to miss this show. KLOG have now been nominated 5 times for the Rose Bowl competition and this is sure to be another block buster. Tickets are going fast.

Tickets are available from the Box Office, telephone Emily on 07580 259757 or email: klogs@hotmail.co.uk or contact any member of the society.
Concessions are available for Tuesday evening and Saturday matinee for £7.00

CHARITY HELPS LOCAL PEOPLE TO REDUCE HEATING OIL BILLS
With the weather getting colder and heating bills rising, many people are looking at ways to try and reduce their heating costs. If you have oil fired heating you may be worried about the cost of oil, which is relatively expensive compared with mains gas. The West of England Rural Network (WERN) have created a community oil buying scheme to help local people reduce the cost of heating oil by placing a collective order once a month. Many oil suppliers are willing to accept a lower price when they are given a large order from geographically close customers. Placing a single order also reduces the number of lorry movements in and around your town or village. In January 2013 members of the scheme paid just 60.08 p per litre. This compared with an average price of 64p and the highest price of 72p. WERN even managed to negotiate this low price during a very busy period for oil suppliers. For more information about the oil buying group please contact Jill Baker at WERN on 01275 333701 or visit www.wern.org.uk/oil.

THE MENDIP SOCIETY

You will be well aware of the Mendip Hills, but have you heard of the Mendip Society?

Set up in 1965, we campaign to achieve a balance between commercial developments and maintaining the unique character of the Mendip landscape. For example, we recently fought hard to persuade National Grid to lay part of their new high voltage transmission line, which will cross the Mendip Hills AONB, underground instead of via 150 foot high pylons.

In addition, the Society sees fostering enjoyment and knowledge of Mendip as key aims; throughout the year, weekly walks are arranged on Saturday afternoons. These give members an opportunity to discover new places; some are nearby, with recent starting points at Compton Dando and Pensford. During the winter months talks are arranged on a wide range of local topics and these are held at Wells, Cheddar and Winscombe.

Currently the Society is expanding its activities and is seeking to enlarge membership in the areas around the hills. Saltford is only a short drive away and you probably have your favourite spots on Mendip. To find out more about the Mendip Society and join some of our activities, find a leaflet in Saltford Library, visit our website www.mendipsociety.org.uk or contact the Membership Secretary: Richard Dyson, on 0117 9864453 or membership@mendipsociety.org.uk

SALTFORD BUSINESS NETWORK - SOCIAL MEDIA FOR BUSINESS

Our February seminar on “Social Media for Business” held at Saltford Golf Club was an informative and surprisingly entertaining evening. There were 20 members and potential members in attendance at the event, led by social media expert and sometime comedian Jon Payne from the agency Noisy Little Monkey. The seminar focused on how social media such as Twitter and Facebook can be used to promote businesses, to either communicate directly with customers or potential customers, and also to assist your website’s Google rankings.

Our next event is on Thursday 25th April 7:30pm at Saltford Golf Club. There will be a short AGM followed by a presentation on implications of the Chancellor’s Budget for business.

We are holding our bi-monthly social event on Thursday 30th May 7:00pm at Saltford Sports Club.

Dates and venues are subject to change. Details of SBN events can be found on the SBN web-site.

Whatever your business, however large or small, join SBN either by contacting us via the web-site www.saltfordbusinessnetwork.org.uk or by simply turning up at an SBN event. The web-site highlights business training opportunities in the area and members can announce their own business news such as recent successes, job vacancies and apprenticeship opportunities.
The second Wansdyke Scouts’ Nightmare Night Hike held at the beginning of February saw eighty-two Scouts aged between ten-and-a-half and fourteen, navigate challenging conditions in the Mendip Hills. The event, built on the success of 2012, achieved a team entry from every Scout Group within Wansdyke District, was organised by leaders of 1st Midsomer Norton Scout Group, and staffed on the night by other scout leaders, explorer scouts, network members and parent helpers keen to be involved in the event.

Several months of planning to ensure safety was undertaken and scouts put through training within their individual Troops on how to navigate over unfamiliar terrain. Adults arrived early to prepare the site for the event, with youngsters arriving from 4 pm when they set up their overnight accommodation and prepared themselves for the challenge ahead. A full kit inspection was undertaken to ensure that the scouts had come fully prepared for the event, and a briefing was held to ensure they were all familiar with the route they would be taking.

Each of the teams, sixteen in total, was given a departure time and signed out to start its route, two teams at a time, one in each direction; the other teams followed at ten-minute intervals thereafter. The route followed a fourteen kilometre figure-of-eight course through a variety of terrains. The teams had to navigate their way round the course and check in at each of the fourteen bases along the way to earn themselves points. There were also activity bases along the way. At the end of the exercise at 2.30 am, they all returned to the Mendip Raceway to spend the rest of the night under canvas.

Ten out of sixteen teams completed the course. Teams from 1st Saltford took first and second places, and teams from 1st Midsomer Norton and 1st Chew Stoke shared third place.

Organisers of the event Matt Horler, Chris Dando, Jenny Ellor and Adrian Miles said, “The hike was a real challenge for these children, and temperatures were below freezing for most of the time. The hours of preparation and training meant that everyone who took part had fun.”

Ryan, an eleven year-old Scout from 2nd Paulton summed up the event by saying, “It was awesome. I have never hiked and camped in sub-zero temperatures before, and I loved every minute.”
Argus Explorers visit Kandersteg
Scouts from the Argus Explorer Unit based in Saltford have recently returned from a skiing adventure in Switzerland. The party was made up of 35 Scouts and leaders from Saltford and 17 from Bath District. They arrived after dark at the International Scout Centre in Kandersteg after a flight and two-hour coach journey from the UK. They awoke the following morning to discover stunning alpine scenery. Everyone completed the red and blue ski runs at Kandersteg, then moved on to more challenging runs at nearby Lauchernalp. In addition to skiing, the young people enjoyed a variety of other activities during their week, ranging from curling, tobogganing, to making snow angels. Tom aged fifteen, said, “We had a sauna night in the centre’s wood-fired sauna. Twenty-five of us crammed in, got all sweaty, then went and ’swam’ in the snow, it was freezing!!!” Seventeen year-old Alice said, “What an amazing week at Kandersteg: one of the best weeks of my life!” Anyone wishing to find out more about Explorer Scouting in Saltford should visit the Unit’s website: http://argusexplorers.tk

The total raised was over £3000 for MENCAP Keynsham & District. It is only the generosity of people that this was possible.

Saltford Afternoon WI
At our February meeting Olive Woolcott, who is a member of the Afternoon WI, gave a talk about her experiences whilst working for the Foreign Office at the beginning of the 1960s. She was recruited after a shorthand test and a personality test to ascertain her ability to cope with living alone in a foreign country. She was then sent on a cargo ship (the cheapest form of transport) to Helsinki where she was given a clothing allowance which enabled her to buy a fur coat. She then talked about the political history of Finland and its relations with its close neighbour Russia in a period not far removed from the second world war. She concluded that it had been a very interesting and beneficial experience.

Our March meeting was a celebration of our first anniversary. Thirty six members celebrated with a lunch at Saltford Golf Club which was enjoyed by all. We were even blessed with beautiful weather and were able to spend time outside on the terrace enjoying the sunshine.

SALTFORD EVENING W.I.
We had a packed hall despite the cold weather and a display of vividly coloured little jumpers knitted by some of our W.I. knitting group brightened what was a cold evening. They were beautifully crafted and lovingly accomplished ready to be forwarded on to Africa.

Our speakers, a husband and wife, told us heart-rending stories concerning the children at Kanamai, Kenya. On being shown slides of life in this particular part of the globe it was hard to imagine that people live in such poor and hard conditions. The little children had nothing but the clothes they were photographed in and yet most were smiling. One particular young child was born an Albino and had to be constantly guarded as witch-craft is still sometimes practised. Sadly, he could be kidnapped at any time.

However, a Doctor and his wife, Paul and Pearl, visit a few times a year and have managed to make life just a little bit easier. Paul spends many hours in the clinic and also at the School they have helped to set up. A collection was made at the end of the evening when almost £100 was raised. No-one could help but be touched by the plight of the people and little ones in this part of Africa.

Our President then told us of any matters arising and a visit to Adam’s Farm in the Cotswolds is something we can all look forward to. Also two walks have been arranged, one to Clifton Downs and village, the other to see the bluebells at Stantonbury.

Our next meeting is on Tuesday 9th April when our speaker will be talking of South Africa but more on this in the next Scan edition.

Raising Money for Leukaemia and Lymphoma Research

From Sunday 7th to Saturday 13th April 2013 I will be taking on the toughest foot race in the world, the Marathon des Sables which entails running a total of 156 miles across the Moroccan Sahara desert over 6 stages covering 7 days.

I am a triathlete, however in September 2005 I was diagnosed with Acute Myeloid Leukaemia and underwent 6 months Chemotherapy resulting in a successful remission. I have since completed 2 Ironman Triathlons and 3 Atlantic Coast Challenges comprising of a marathon a day for 3 consecutive days along the north Cornwall coastal path, finishing 8th (2010), 2nd (2011) and 1st (2012) overall respectively.

I am now taking on my biggest “sporting” challenge, for which I am raising sponsorship funds for this charity. Through Virginmoneygiving, you can sponsor me. Virginmoneygiving is a not for profit organisation and will claim gift aid on the charity’s behalf where the donor is eligible for this. I would very much appreciate your support and you can make any donations:

1. At - https://uk.virginmoneygiving.com
2. Search - Andy Brooks
3. My page is headed “Andys Marathon des Sable fundraising page”

For those who would like to see more information on this challenge and maybe follow my progress over the 7 days, you can do this on the following website http://www.darbaroud.com/en/ My competitor number is - 616

Once again your donation, however big or small, will be much appreciated in order to help this research to successfully help others, as it did me. Many thanks,

Andy Brooks

The cost of restoring the ‘Lord of the Manor’s’ grave in Saltford Churchyard is to be met by the Parish Council. The Flowers family lived in the Manor House from 1645 to the early 1900’s. Lamorack Flowers is buried in a large plot with elegant decorative Victorian railings. Restoring the grave in time for Saltford Festival will allow this part of Saltford’s history to be recognised within the extensive festival programme.

The Parish Council is giving a grant of £551 to Saltford Football Club for equipment for their new under 18’s team, a combined venture with Saltford Stars Junior section.

The Parish Council is hosting a Neighbourhood Watch public meeting in conjunction with the Neighbourhood Policing team on Monday 20 May 2013 from 7.00 pm to 8.00 pm in the Avon Room, Saltford Hall. The meeting will provide an opportunity for existing Neighbourhood Watch co-ordinators to meet and exchange views and information, and to encourage anyone interested in starting a new Neighbourhood Watch scheme in Saltford.

There is a problem of speeding at the bottom of Bath Hill, Saltford, where the 50mph limit and the 30mph speed limit meet. Saltford residents and all drivers are urged to observe the speed limit.

From 2 April 2013, B&NES residents will need to either register for a free electronic permit, or show their Discovery Card, in order to enter any of B&NES’ Recycling Centres. Register for a permit online at www.bathnes.gov.uk/residentpermit or by phone on 01225 394041 or by visiting Keynsham Riverside One Stop Shop.

Report litter offences, over-filled bins, fly-tipping, abandoned vehicles and graffiti to B&NES Council Connect on 01225 394041 or email councilconnect@bathnes.gov.uk.
New electronic Recycling Centre Resident’s Permit introduced

A new, fairer scheme should ensure Bath & North East Somerset Council residents save time and money.

From 2 April 2013 you will need a free electronic Recycling Centre Resident’s Permit. Without this permit you will not be able to enter any of our three centres at Bath, Keynsham and Old Welton.

We pay a significant amount of money each year for non-Bath and North East Somerset residents to dispose of their waste for free at our recycling centres. We cannot continue to subsidise this. This new permit should make it fairer for all – your Council Tax pays for you to dispose of the household rubbish and recycling you create and not that of residents living in other authority areas.

As well as helping us save costs, we hope that this will also reduce queuing times for you at our centres. Our neighbouring authorities have already introduced similar schemes.

Registration details

Registration is free and for residents of Bath and North East Somerset only. Once authorised, your vehicle licence plate will be recognised electronically when you drive into our centres and prove automatically that they are a resident. The new Resident’s Permit will last for three years.

The permit is not something physical that you have to carry with you – it is an electronic authorisation based on your vehicle licence plate.

You do not need to apply for a permit if:
• You already have an electronic Van Permit and are using this vehicle to visit the centre.
• You have a resident’s Discovery Card and show this on site (this allows free or discounted admission to various museums and other heritage sites in Bath and North East Somerset) www.bathnes.gov.uk/discoverycard

How to register for your permit

Registering is easy and will only take a couple of minutes. We just need to know your name, address and vehicle registration(s) – you do not need your Council Tax account number or any other details. Only one person in your household must register - you must supply registration numbers of all the vehicles you wish to register on your household’s permit

The easiest and most convenient way to register is online at www.bathnes.gov.uk/residentpermit

If you do not have access to the internet, Council Connect can help you with your application:
• By phone: please call Council Connect on 01225 39 40 41
• In person: please visit your nearest or most convenient Council Connect One Stop Shop
• Bath One Stop Shop, Manvers Street
• The Hollies, Midsomer Norton
• Riverside Keynsham

At your local library: You can register at your local library by using the ‘Free Access’ facility available on the computers in all libraries.

Recycling Centres are located at:
• Pixash Recycling Centre, Keynsham, BS31 1TP
• Midland Road Recycling Centre, Bath, BA1 3AT
• Old Welton Recycling Centre, Radstock, BA3 2AA
